Fall for Busan

Are you looking for something a little more specific this month?

Maybe you want to enjoy the cooling fall weather high in the mountains. Maybe you would prefer, instead, to explore and reflect on Korea's ancient history. Or, maybe you just want to play in the leaves while checking out some locally-made art. There's a theme to make you beam with pleasure.

October is a great month to get outside to discover more of Busan beyond your own neighborhood. We're heading to a ginkgo tree-lined street, a stunning mountain trail, ancient fortress and the scene of a fateful battle. Make sure to wear comfortable shoes, because we have a lot of ground to cover this month.
