What is a "Safe Restaurant"?

A Safe Restaurant is a restaurant you can feel assured of visiting. It serves individuals separately, maintains cutleries clean, its staff wears masks, and does not reuse food.

Top Four Tasks for Dining Culture Improvement

	Provision of utensils for individual serving		Hygienic management of cutlery
	Masks worn by staff		Safe
			Not reusing previously served food

Eligibility for Safe Restaurant Designation

Restaurants that serve meals that fulfill the top four tasks for dining culture improvement.

* Excludes businesses that do not serve general meals, such as cafes, dessert shops, bakeries, and fast food restaurants.

To apply for the Safe Restaurant status, please inquire with the Environmental Hygiene Division at your respective gu or gun office.
